

## **2015 IFAF COACHING PROGRAMS INFORMATION**

### **Overview**

As part of its World Development Team Program, in 2015 IFAF will offer different coaching programs that will be held at the same time of the World Development Team camp.

### **Observer Coach Program**

IFAF offers this year the possibility of inviting coaches to be part of the World Development Team experience. Participant coaches will be accompanying the coaching staff during all their activities. They will be involved in all the meetings held with the players and coaching staff and will take part in all practices at the World Development Team coaching staff's discretion.

Participants must pay a program fee plus their own flight to where the event is being held. This fee will cover all of the coaches' expenses while in the event location including housing, meals, ground transportation and apparel. IFAF will take care of the coaches from the moment they arrive in the event's location airport the first day of the event until the coaches are taken back to the airport when the event ends. Coaches should be planning on arriving Sunday January 25 and departing Sunday February 1. Airport of arrival will be Dallas Fort Worth International (DFW).

### **USA FOOTBALL and IFAF Heads Up Football Master Trainer Workshop**

Held at the same time and location as the 2015 World Development Team Camp in Arlington, Texas (USA), the workshop will feature notable speakers in Heads Up Tackling; Heads Up Blocking; equipment fitting; sudden cardiac arrest; and heat preparedness and hydration.

The workshop will be held January 29 and 30, 2015.

International coaches will be able to attend the World Development Team practices and if nominated by their own federations they will be candidates to be chosen to serve as assistant coaches and participate in the International Bowl January 31 at the Dallas Cowboys' AT&T Stadium.

### **Financial Considerations**

#### Observer Coach Program

**\$1,200 USD program fee.** Round Trip flight paid for by the participant.

### USA Football and IFAF Workshop Attendee

If attendees want to stay in Arlington, TX for the entire length of the camp and be part of it the fee will be the same as the OCP members: **\$1,200 USD program fee**. Round Trip flight paid for by participant.

These fees include ground transportation, accommodation, meals and apparel. It should be noted that IFAF will cover those aforementioned expenses from the day the event begins (not before) till the event ends (not later), as these dates are stated in the pertained documentation.

If participants want to attend only the workshop and want to stay at the IFAF hotel, they will need to pay a daily fee of **\$150 USD**. Round Trip flight paid for by participant.

For the workshop attendees arriving after January 25, IFAF will only provide airport transfers on departing day, Sunday February 1. Accommodation and meals are included.

### **Event Schedule**

The Event Schedule will be sent to all IFAF members in January 2015, as well as to the registered coaching programs attendees. IFAF is now working on the event program and looks forward to creating a great experience for all participants and invited guests.

It is IFAF's hope your federation recognizes the World Development Team program's value to your athletes, coaches and national team programs, and takes advantage of the resources being offered. It's important to view the World Development Team program as a resource and compliment to your national team program and elite player development plans, as well as coaches' development.
